

BREAKING BARRIERS, BUILDING BRIDGES Synergies between companies and young talent

In this knowledge-sharing conference we unpack the pitfalls that companies are facing in the current market environment. Join HR strategists from SMEs and large corporates for recipes and inspiration. **A round table of CEOs and young students** will exchange experiences and develop cases on the attraction and retention of next generation talent. More than an event, this will be a cross-sector, cross-generation, cross-perspective morning.
